

“International Journal of Advances in Engineering and Technology (IJAET)”

ISSN: 2231-1963

CALL FOR PAPERS

IJAET is an online, open access, bimonthly peer-reviewed, international journal which publishes original innovative research works, reviews and case reports dealing with engineering and relevant fields. The journal allows free access to its contents, which is likely to attract more readers and citations to published articles.

IJAET is indexed at:

Open J Gate, New Jour, Science Central, University of Washington Libraries, Google, Citeseerx, DOAJ, EBSCO Publishing's Electronic Databases, Scirus, and many more.....

It is a great pleasure to invite you to contribute your best knowledge and research. Your contribution will help us to establish a high standard.

Right now, with the Next issue scheduled to publish in January 2013, we invite you to contribute your best research and review manuscripts.

The journal covers all areas of computer science, electronics engg., mechanical engg., information technology, electrical engg., and many more.

For author's convenience, we strongly follow the following steps.

Rapid publication

Quick submission system, electronic peer review and production make the process of publishing your article very simple and efficient.

Quality and high standards of peer review

We have a high standard of peer review. A strong Editorial Board helps us with policy and decision-making, and in some cases help with choosing referees and reviewing manuscripts. For more details regarding editorial/advisory board check Editorial board of IJAET section of Journal website.

With kind regards,

Editor IJAET
